Greetings Three Riverites,

Hope this finds you hale and hearty as spring fast approaches. There are lots of things to look forward to:

Tonight! Friday 14th August: Theatre Drinks

6pm upstairs Princess Theatre Foyer and hosted by the Launceston Musical Society.

The drinks precede a performance by Michael Edgar of the play "BEYOND THE FETCH" (The childhood of Dylan Thomas) which starts at 8pm AT THE Earl. Tickets \$10 at the door.

Tonight for one night only!

Beyond the Fetch with Michael Edgar as Dylan Thomas and his friends and contemporaries

A production originally created for the Melbourne Theatre Company.

Before the Fetch is an examination of the childhood of Dylan Thomas. For it was only in childhood that the real Dylan existed. His relationships with family and boyhood friends formed the essence of a public character that the world would read as masterful and yet his private longings and losses forever ruled his private behaviour. Michael Edgar is truly masterful in capturing Dylan's language and the myriad of characters that influenced an undistinguished boy in a tiny Welsh village, who later became a world renowned literary figure.

This is a 'one off' performance, never to be repeated.

Three River's Standpoint has two entries in OneFest, both directed by Beth Geoghegan. Best of luck for the festival and if any of you can make it down there that would be fantastic!
